**SUPPLEMENTAL RESPONSE**  
**TO FINAL OFFICE ACTION UNDER 37 C.F.R. § 1.116(e)**

Dear Sir:

This submission is supplemental to our submission filed 26 June 2007. In that submission we included marked-up copies of journal articles, which we later discovered made the articles difficult to read. The sole purpose of this submission is to provide the USPTO with unmarked copies of those articles.

The Examiner is invited to contact the undersigned attorney with any comments regarding this submission. An early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

KENYON & KENYON LLP
